

GRACE ENGLISH LUTHERAN SCHOOL 2006-2007

NEIGHBORHOOD PERMISSION SLIP

Many of our teachers lead their classes on short walks around the local community. These may be to the park, to the local library, or just a nature hike. These trips are always under the direct supervision of the classroom teacher or another paid staff member.

Any fieldtrips that a class takes outside the local community would not be covered by this permission slip. The teacher would send home specific information and a permission slip for that type of activity.

Please check the appropriate box:

- My child, _____ has permission to participate in local walking trips.

- My child, _____ does not have permission to participate in local walking trips. I realize that my child will be left at the school in the care of a paid staff member.
